**Late Work Policy:**

In order to be prepared for class discussions and activities, students must complete all assignments on time. All assignments should be turned in according to the due dates listed on the Quarterly Pacing Guide. Any assignment turned in late will receive a 20% penalty for every class period after the deadline. Assignments more than 2 class periods late will receive a 0. In addition, by turning in work late, students waive the privilege of receiving comments on their work. If students upload assignments late to Turnitin.com, their late submission is subject to the late work penalty also. **An assignment is considered on time when the paper copy and the digital copy (when applicable) are submitted by the due date.** Turnitin requirements are detailed on the Pacing Guide and on assignment sheets.

**Absences**

If a student must be absent from class, the parent is expected to notify the PEP Site Administrator and their tutor.

- **Planned absences:** With the limited amount of class time, it is recommended that parents keep planned absences to a minimum and utilize the PEP school breaks for vacations, family trips, etc. However, if a planned absence is necessary, parents must inform the tutor prior to the missed time. The parent and tutor can work out an appropriate schedule for the student to make up any class work, in-class writing or administered quizzes. At the latest, this work will be due when the student returns to class. If the make-up work is not completed according to the predetermined schedule agreed on, the Late Work Policy will apply.
- **Unplanned absences** (e.g. illness, family emergency): The parent/student may work with the tutor to adjust due dates based on the situation.
