

Reading & Discussion Questions – Bauer pp. 125-138

**Directions:** Please answer the following questions in a typed document following MLA formatting. On time submission = printed document submitted in class on the due date AND submission to Turnitin.com by class time.

Constantine believed that a common faith and a common culture could hold Rome together. This is a belief that was widely shared among the Founding Fathers of America. The textbook reading from this week seems to take issue with this idea. **Write a 300-word paragraph response to the following question:** Could Christianity and Roman culture have held the Roman Empire together if these cultural forces had more thoroughly gripped the hearts and minds of the Romans?
