

Directions: Please answer the following questions in a typed document following MLA formatting. On time submission = printed document submitted in class on the due date AND submission to Turnitin.com by class time.

1. What was the first action taken by the entire Greek world? What were its results (534)?
2. How did shared customs and language bring the Greeks together (give multiple, specific examples)? What does this tell us about culture and language as a unifying force?
3. In view of Question 2, what are some potential effects of championing cultural and ideological diversity as the ultimate good?
